00:05:57.270 --> 00:06:01.020

Spencerport Central Schools: First item on new business is appointments

37

00:06:02.250 --> 00:06:14.520

Spencerport Central Schools: So we all had a chance to review everything on the news and notes OVER THE PAST WEEKEND. Is there any questions on the those appointed

38

00:06:16.440 --> 00:06:17.130

Spencerport Central Schools: Wrong.

39

00:06:18.510 --> 00:06:20.880

Spencerport Central Schools: nearly identical to next year or last year.

40

00:06:22.440 --> 00:06:23.280

Spencerport Central Schools: Any questions.

41

00:06:24.900 --> 00:06:26.670

Spencerport Central Schools: Motion motion channel.

42

00:06:28.380 --> 00:06:29.550

Spencerport Central Schools: Very second

43

00:06:32.550 --> 00:06:33.360

Spencerport Central Schools: All in favor.

44

00:06:34.590 --> 00:06:35.610

Spencerport Central Schools: Seven zero

45

00:06:41.400 --> 00:06:43.560

Spencerport Central Schools: With that, we just appointed

46

00:06:44.940 --> 00:06:50.490

Spencerport Central Schools: Marcy clapper as for the education clerk. Therefore, it's time for you to

47

00:06:51.720 --> 00:06:58.080

Spencerport Central Schools: OK. Sally swear that I will support the Constitution of the United States of America and the Constitution of the State of New York.

48

00:06:59.910 --> 00:07:01.500

Spencerport Central Schools: According to the best of my ability to do

49

00:07:03.420 --> 00:07:03.930

Spencerport Central Schools: Thank you.

50

00:07:12.420 --> 00:07:14.640

Spencerport Central Schools: Next item is

51

00:07:20.010 --> 00:07:21.180

Spencerport Central Schools: For appointments

52

00:07:23.220 --> 00:07:28.140

Spencerport Central Schools: Which is our legal firms are auditing firms or consultants.

53

00:07:29.520 --> 00:07:37.590

Spencerport Central Schools: Again and audit committee. So again, they're pretty similar collapse here. Are there any questions.

54

00:07:38.850 --> 00:07:40.980

Spencerport Central Schools: One, we have a TBD.

55

00:07:43.200 --> 00:07:44.670

Spencerport Central Schools: Determine on the audit committee.

56

00:07:45.750 --> 00:07:51.120

Spencerport Central Schools: So there's a chance. I served on the audit audit committee for six years, there's anyone that wants to do it.

57

00:07:52.140 --> 00:07:55.890

Spencerport Central Schools: Step aside, but I'll keep doing it gladly so

58

00:08:00.240 --> 00:08:04.110

Spencerport Central Schools: The TV was our medical right there. Oh, sorry.

59

00:08:05.850 --> 00:08:09.600

Spencerport Central Schools: Oh, yeah, yeah. There was TVs on that out soon.

60

00:08:12.480 --> 00:08:24.900

Spencerport Central Schools: As we get one person. Right. Okay. So, okay. So yes, the other to be determined was on our audit committee but also our medical director, because of the changes that we've been talking about with having a

61

00:08:27.600 --> 00:08:32.880

Spencerport Central Schools: Motion Picture. Okay. Motion to make my point. The

62

00:08:34.260 --> 00:08:46.320

Spencerport Central Schools: Second, which I think gave all in favor seven zero. Thank you all on board designation certainly nice would be

63

00:08:47.820 --> 00:08:57.090

Spencerport Central Schools: Mostly internal people in the jobs that they have to do as part of the responsibilities, but also as a sign by the Board of Education.

64

00:08:58.290 --> 00:08:58.770

Spencerport Central Schools: Any

65

00:09:00.840 --> 00:09:01.350

Spencerport Central Schools: Motion.

66

00:09:02.400 --> 00:09:07.860

Spencerport Central Schools: For the internal designations very second reg any discussion.

67

00:09:09.540 --> 00:09:12.030

Spencerport Central Schools: All in favor. Seven zero

68

00:09:14.730 --> 00:09:23.640

Spencerport Central Schools: Okay, external Board of Education doesn't mean including tanks and services that we utilize again maker.

69

00:09:28.440 --> 00:09:28.860

Spencerport Central Schools: Second,

70

00:09:29.970 --> 00:09:35.070

Spencerport Central Schools: So first record. Second, Miss Sally a discussion.

71

00:09:36.330 --> 00:09:38.700

Spencerport Central Schools: All in favor, zero.

72

00:09:40.200 --> 00:09:46.200

Spencerport Central Schools: So I thank everyone for spending the time over the weekend or really all this, so it goes much smoother.

73

00:09:47.310 --> 00:09:51.690

Spencerport Central Schools: For education authorizations including budget transfers and

74

00:09:53.580 --> 00:10:02.880

Spencerport Central Schools: Treasury bonds and being a participant in our cooperative bidding and purchasing through both

75

00:10:04.440 --> 00:10:09.300

Spencerport Central Schools: As well as you get, the more as long as on this one.

76

00:10:11.580 --> 00:10:23.100

Spencerport Central Schools: So motion for authorization. I do have a partial to do. Do we want to discuss anything about hair states for associations. That's part of this section.

77

00:10:27.000 --> 00:10:28.680

Spencerport Central Schools: Or table. Take it out.

78

00:10:32.580 --> 00:10:33.930

Spencerport Central Schools: Yes that's look

79

00:10:35.130 --> 00:10:45.330

Spencerport Central Schools: Yes, I would like to make a motion chair. I like to make a motion to approve the authorizations or the exception of including your state school board Association. This

80

00:10:49.500 --> 00:11:09.810

Spencerport Central Schools: Is discussion about that is we want to before we sign on to this approved this resolution, we want to make sure that the value is there for the transport School District. But in your case billboards. So, we will have that as an agenda item for our next meeting or

81

00:11:11.430 --> 00:11:12.240

Spencerport Central Schools: Some of them.

82

00:11:13.290 --> 00:11:13.710

Spencerport Central Schools: Okay.

83

00:11:15.120 --> 00:11:22.260

Spencerport Central Schools: So we have a second with the motion to remove that. Any further discussion on favor

84

00:11:23.400 --> 00:11:25.980

Spencerport Central Schools: 702

85

00:11:32.160 --> 00:11:38.850

Spencerport Central Schools: Okay, because education resolutions. These are items that are mandated that we

86

00:11:40.080 --> 00:11:41.580

Spencerport Central Schools: Resolve with each year.

87

00:11:44.190 --> 00:11:58.440

Spencerport Central Schools: We want to just go through this. So motion for approval of board of education resolutions, Mr Kincaid. Second. Mr. Miss Ellie All in favor of here.

88

00:12:00.780 --> 00:12:03.690

Spencerport Central Schools: Ok now we get there, some conversation.

89

00:12:05.880 --> 00:12:12.000

Spencerport Central Schools: So our next items are the Board of Education representatives two committees.

90

00:12:13.140 --> 00:12:14.760

Spencerport Central Schools: So I'm three A.

91

00:12:15.900 --> 00:12:17.160  
Spencerport Central Schools: My name in for that.

92  
00:12:18.360 --> 00:12:19.200  
Spencerport Central Schools: Recommendation

93  
00:12:20.640 --> 00:12:26.610  
Spencerport Central Schools: That is the Monroe County School Board executive committees or Executive Committee.

94  
00:12:28.470 --> 00:12:33.870  
Spencerport Central Schools: Labor Relations. So as we shared with Lori that

95  
00:12:36.480 --> 00:12:43.980  
Spencerport Central Schools: We, some of us have committees that they that we've been on for a long time, but I think everyone would would would be open to

96  
00:12:45.090 --> 00:13:02.100  
Spencerport Central Schools: New people joining on it. So if there's Lori. I don't want to say you've got first choice, but we want to afford you the opportunity to do things that so that you are or where you think it will help you to grow as a board member

97  
00:13:03.960 --> 00:13:07.740  
Spencerport Central Schools: So first on the list is labor relations.

98  
00:13:09.270 --> 00:13:13.890  
Spencerport Central Schools: For trying don't have a copy of last year's. So who was

99  
00:13:15.240 --> 00:13:19.710  
Spencerport Central Schools: Delicious was myself and girls cherry pie for later. Okay.

100  
00:13:21.000 --> 00:13:22.470  
Spencerport Central Schools: Again, the Chair of

101  
00:13:23.850 --> 00:13:28.470  
Spencerport Central Schools: The association chair, so I will be going all these so

102

00:13:29.640 --> 00:13:36.810

Spencerport Central Schools: My name is alternate always I'll take relations guy was interesting because, to be fair, got cut off.

103

00:13:38.160 --> 00:13:45.450

Spencerport Central Schools: Would you say what it, to be fair, all over again. It was once a month for me here. So, so

104

00:13:46.710 --> 00:13:56.670

Spencerport Central Schools: Rather than taking up our URL for that slot. And is there anyone because you will be there. Is there anyone else that would want to be on the labor relations.

105

00:13:57.750 --> 00:14:02.190

Spencerport Central Schools: Those be off site, wherever. Right. Yeah, it was. It's lunchtime.

106

00:14:04.980 --> 00:14:05.550

Spencerport Central Schools: Different

107

00:14:06.720 --> 00:14:07.590

Spencerport Central Schools: Okay. That means it

108

00:14:10.770 --> 00:14:17.910

Spencerport Central Schools: Will be different Wednesdays, but because it's the same but different points. Yeah, okay, a lunchtime to be very detail.

109

00:14:19.650 --> 00:14:22.020

Spencerport Central Schools: Okay. So Gary, and Gary

110

00:14:25.440 --> 00:14:28.560

Spencerport Central Schools: So that also holds true for the the legislative

111

00:14:31.500 --> 00:14:35.130

Spencerport Central Schools: So Lori. Which one were you interested in the information exchange.

112

00:14:38.010 --> 00:14:39.570

Spencerport Central Schools: traded in the legislative committee.

113

00:14:45.180 --> 00:14:47.100

Spencerport Central Schools: We have a lot of lines to fill here.

114

00:14:48.300 --> 00:15:09.270

Spencerport Central Schools: So I would like to. I was active with the Legislative Committee. So I would be the member on that someone unless someone else wants to be the member and or the alternate and all of the the Monroe County School Board Association events, basically, they'd be happy people showed up.

115

00:15:10.470 --> 00:15:14.040

Spencerport Central Schools: So, so it's not like an alternate is either or it can be both.

116

00:15:15.060 --> 00:15:32.790

Spencerport Central Schools: So no one else wants the legislative committee, I will volunteers or second person wants and we don't have to build every one of these line items but Gary's or alternate or maybe now it's no longer hold and raise

117

00:15:34.320 --> 00:15:34.920

Spencerport Central Schools: Your head around.

118

00:15:36.840 --> 00:15:47.130

Spencerport Central Schools: And it is has been very timely that the meeting. So they have a lot older you get there and you get out if you can get that our launch

119

00:15:48.480 --> 00:15:53.640

Spencerport Central Schools: A next item is the information exchange. So member would be Lori.

120

00:16:05.670 --> 00:16:06.810

Spencerport Central Schools: Anybody can take a

121

00:16:08.580 --> 00:16:08.850

Spencerport Central Schools: Great.

122

00:16:13.980 --> 00:16:15.900

Spencerport Central Schools: Alternate for information exchange.

123

00:16:18.870 --> 00:16:20.400

Spencerport Central Schools: Never been on it, but a

124

00:16:21.540 --> 00:16:24.420

Spencerport Central Schools: Great very powerful.

125

00:16:26.220 --> 00:16:26.940

Spencerport Central Schools: I think out

126

00:16:33.150 --> 00:16:40.320

Spencerport Central Schools: Okay, and you're building visitation. So you remember it's in our

127

00:16:42.360 --> 00:16:55.500

Spencerport Central Schools: Policy to call it visit building visitation. But as we've been doing in the past couple of years, you are the liaison for that building what when you're volunteering for this. So Lori, we're gonna we're gonna

128

00:16:56.640 --> 00:17:00.000

Spencerport Central Schools: Allow you to to make the first selection. Wow.

129

00:17:01.110 --> 00:17:02.130

Spencerport Central Schools: I'm going to choose one, this

130

00:17:04.440 --> 00:17:04.770

Spencerport Central Schools: Is

131

00:17:05.790 --> 00:17:06.060

Spencerport Central Schools: A

132

00:17:18.840 --> 00:17:19.170

Spencerport Central Schools: Lori.

133

00:17:23.820 --> 00:17:24.870

Spencerport Central Schools: Temperature porchester

134

00:17:27.180 --> 00:17:31.080

Spencerport Central Schools: The presentation, the temperature for only \$4 yes

135

00:17:34.410 --> 00:17:36.150

Spencerport Central Schools: So, so, so, Kate, what would you

136

00:17:37.500 --> 00:17:37.740  
Spencerport Central Schools: Know,

137

00:17:40.620 --> 00:17:53.910  
Spencerport Central Schools: I'm basing on Google groans, the most is going to make a line like what they have to summarize all but I meant to you if you want by joining the board. Historically, the demonstration building transportation because it seemed like no one else wanted it so I will take that

138

00:17:57.750 --> 00:18:00.330  
Spencerport Central Schools: Burden I gave it was

139

00:18:02.310 --> 00:18:05.370  
Spencerport Central Schools: This Wilson can help you and conquer recovered right

140

00:18:06.810 --> 00:18:12.660  
Spencerport Central Schools: I do. Where do you want a school. Go ahead. We'll was that, you know, that's fine.

141

00:18:16.680 --> 00:18:18.270  
Spencerport Central Schools: I'll take a patrician transportation

142

00:18:19.500 --> 00:18:21.540  
Spencerport Central Schools: So they might feel strong

143

00:18:25.920 --> 00:18:32.940  
Spencerport Central Schools: So that check out the basement in this moment. So we're going to be arrogant. Yeah, we want to tailor.

144

00:18:34.890 --> 00:18:42.060  
Spencerport Central Schools: You will fill, then we have one in London already so I will continue my monster.

145

00:18:45.270 --> 00:18:45.510  
Was

146

00:18:46.860 --> 00:18:47.220  
Spencerport Central Schools: Very

147

00:18:53.820 --> 00:18:54.180  
Spencerport Central Schools: Boring.

148

00:19:02.160 --> 00:19:05.880

Spencerport Central Schools: This the high point of every one of our art our tours is going up, and it is

149

00:19:09.270 --> 00:19:09.480

Spencerport Central Schools: A

150

00:19:12.390 --> 00:19:22.890

Spencerport Central Schools: Relocation. Okay. And so, Laurie, what will happen is facilities will reach out to you and say, Hey, what are we doing it. So I'm works for you.

151

00:19:24.060 --> 00:19:25.440

Spencerport Central Schools: Borrow September beginning

152

00:19:29.370 --> 00:19:31.860

Spencerport Central Schools: That you do the tour with Nelson Nelson Drake.

153

00:19:34.410 --> 00:19:44.430

Spencerport Central Schools: Okay, I'm back will be scholarship committee, I mean this last year. But, fingers crossed. And he's one of my children are coming in.

154

00:19:46.800 --> 00:19:49.170

Spencerport Central Schools: Okay, it's a lot of fun.

155

00:19:51.510 --> 00:19:52.500

Spencerport Central Schools: For scholarship

156

00:19:55.260 --> 00:20:01.140

Spencerport Central Schools: I think we had the last year to have the best word policy committee members.

157

00:20:04.920 --> 00:20:05.250

Spencerport Central Schools: So,

158

00:20:06.870 --> 00:20:07.380

Spencerport Central Schools: I'll take it.

159

00:20:11.490 --> 00:20:12.600

Spencerport Central Schools: Or near now.

160

00:20:13.980 --> 00:20:14.790

Spencerport Central Schools: Anytime.

161

00:20:16.740 --> 00:20:17.190

Spencerport Central Schools: Service.

162

00:20:18.420 --> 00:20:19.710

Spencerport Central Schools: Health Advisory Committee.

163

00:20:23.100 --> 00:20:23.490

Spencerport Central Schools: Lori.

164

00:20:25.980 --> 00:20:26.220

Spencerport Central Schools: Got a

165

00:20:29.100 --> 00:20:32.850

Spencerport Central Schools: Killer Marcia was actually writing their name on everything we say

166

00:20:34.290 --> 00:20:37.920

Spencerport Central Schools: And it will sign it next year or next week and approve those minutes

167

00:20:38.970 --> 00:20:41.280

Spencerport Central Schools: Score to career advisory committee.

168

00:20:45.390 --> 00:20:50.400

Spencerport Central Schools: Injections okay no energy advisory committee.

169

00:20:51.990 --> 00:20:53.550

Spencerport Central Schools: Where's God that was God.

170

00:20:54.900 --> 00:20:55.800

Spencerport Central Schools: bless everyone down your

171

00:20:59.550 --> 00:21:00.060

Spencerport Central Schools: Choice.

172

00:21:01.980 --> 00:21:04.530

Spencerport Central Schools: No one else would like it. I will take a day.

173

00:21:06.270 --> 00:21:06.810

Spencerport Central Schools: Like

174

00:21:08.520 --> 00:21:21.570

Spencerport Central Schools: Schools are safe schools advisory committee, I'll stick with that. I know we had two people on that last day when I did last year there were two under these budget committee want to do it again. Yeah. The two of us have

175

00:21:22.740 --> 00:21:31.110

Spencerport Central Schools: It. So it was the code of conduct was one committee yeah what's involved Nelson job today and advanced workers.

176

00:21:32.850 --> 00:21:35.550

Spencerport Central Schools: A Advisory Council.

177

00:21:37.440 --> 00:21:38.970

Spencerport Central Schools: Which places for a year.

178

00:21:41.010 --> 00:21:51.450

Spencerport Central Schools: It ensures been supportive meeting guidelines or new regulations in the right direction for future bold involving the school districts to counseling God do that.

179

00:21:56.670 --> 00:21:57.030

Spencerport Central Schools: It wasn't

180

00:21:58.530 --> 00:22:00.720

Spencerport Central Schools: The only one in the issue.

181

00:22:04.470 --> 00:22:04.860

Spencerport Central Schools: That was

182

00:22:10.020 --> 00:22:14.460

Spencerport Central Schools: Like no, please learn her hand up. I'm thinking it. Yeah, it worked out.

183

00:22:18.510 --> 00:22:20.730

Spencerport Central Schools: Okay did was that we're setting up a little

184

00:22:23.850 --> 00:22:26.070

Spencerport Central Schools: Bit of focus.

185

00:22:27.450 --> 00:22:33.450

Spencerport Central Schools: On that. So, trying to remember it unlimited membership here.

186

00:22:35.520 --> 00:22:39.840

Spencerport Central Schools: Automatically on that. And then we have two people, it'd be good at.

187

00:22:41.250 --> 00:22:46.320

Spencerport Central Schools: What we what we do over here is we're cool encourage you to come. Anyhow, if you want a lot of times it's a carousel.

188

00:22:48.600 --> 00:22:49.050

Spencerport Central Schools: Will share out

189

00:22:55.380 --> 00:22:56.190

Spencerport Central Schools: Shut up. Anyways,

190

00:23:08.790 --> 00:23:14.430

Spencerport Central Schools: Okay so professional learning committee that was once the professional development. Yes.

191

00:23:25.560 --> 00:23:29.910

Spencerport Central Schools: So again, even though there's one line here would be more than one person. So, yes.

192

00:23:31.560 --> 00:23:33.480

Spencerport Central Schools: Kevin, you're doing that as well. Yes. Okay.

193

00:23:36.870 --> 00:23:45.450

Spencerport Central Schools: Audit Committee, the most exciting of committees. I just like time when wreck, they're all doing the rounds area and like

194

00:23:47.430 --> 00:23:50.070

Spencerport Central Schools: It was both we left here that

195

00:23:51.930 --> 00:23:52.440  
Spencerport Central Schools: Can cause

196  
00:23:59.430 --> 00:24:00.900  
Spencerport Central Schools: A wellness committee.

197  
00:24:03.720 --> 00:24:04.620  
Spencerport Central Schools: Breaking Garrett

198  
00:24:07.710 --> 00:24:09.180  
Spencerport Central Schools: Nature Center committed

199  
00:24:10.620 --> 00:24:13.800  
Spencerport Central Schools: Protection worked on for you know

200  
00:24:15.690 --> 00:24:19.950  
Spencerport Central Schools: I think there's two people on now is that a little bit better.

201  
00:24:23.340 --> 00:24:26.310  
Spencerport Central Schools: I'll give it a run when we have two people.  
We had to

202  
00:24:27.990 --> 00:24:28.440  
Spencerport Central Schools: Buy

203  
00:24:37.260 --> 00:24:38.310  
Spencerport Central Schools: What we never had.

204  
00:24:40.110 --> 00:24:40.500  
Spencerport Central Schools: Nothing.

205  
00:24:41.610 --> 00:24:42.600  
Spencerport Central Schools: No, that's

206  
00:24:44.190 --> 00:24:45.150  
Spencerport Central Schools: Right before we close

207  
00:24:47.280 --> 00:24:57.450  
Spencerport Central Schools: This item number four motion. Motion to adjourn. Second. Organizational meeting. Second, Mr Kincaid. All in favor.

208

00:24:59.970 --> 00:25:00.240

Spencerport Central Schools: Oh,

209

00:25:16.470 --> 00:25:17.100

Spencerport Central Schools: Know,

210

00:25:22.260 --> 00:25:28.200

Spencerport Central Schools: Only Tuesday, July 14 meeting of the special school board to order.

211

00:25:29.490 --> 00:25:31.320

Spencerport Central Schools: Please join me with the Pledge of Allegiance.

212

00:25:35.160 --> 00:25:37.950

Spencerport Central Schools: To the flag or the United States of America.

213

00:25:39.450 --> 00:25:39.780

Spencerport Central Schools: For

214

00:25:43.710 --> 00:25:45.360

Spencerport Central Schools: liberty and justice for all.

215

00:25:49.980 --> 00:25:53.850

Spencerport Central Schools: First, on our agenda is approval of the agenda. Do I have a motion.

216

00:25:55.380 --> 00:26:02.310

Spencerport Central Schools: For Mr Bracken second SLE, all in favor seven. Oh, thank you.

217

00:26:03.780 --> 00:26:07.350

Spencerport Central Schools: Next item on our agenda is the Consent Agenda.

218

00:26:08.430 --> 00:26:13.170

Spencerport Central Schools: YOU THINK WE'LL HAVE KIDS BACK AT SOME POINT WHERE WE HAVE TO DESCRIBE WHAT A consent agenda is

219

00:26:16.290 --> 00:26:22.710

Spencerport Central Schools: I hope so. Okay, approval for center motion for consent agenda.

220

00:26:31.470 --> 00:26:32.070

Spencerport Central Schools: Lori.

221

00:26:34.320 --> 00:26:35.310

Spencerport Central Schools: Lori up the same

222

00:26:41.730 --> 00:26:46.770

Spencerport Central Schools: Spot like all favor seven. Oh, thank you.

223

00:26:48.960 --> 00:26:53.250

Spencerport Central Schools: Okay residence report of education reports.

224

00:26:55.380 --> 00:26:58.350

Spencerport Central Schools: I, as the President for the last

225

00:26:59.430 --> 00:27:02.850

Spencerport Central Schools: 30 minutes I don't have much to report.

226

00:27:06.480 --> 00:27:06.870

Spencerport Central Schools: I'm

227

00:27:08.010 --> 00:27:19.740

Spencerport Central Schools: Feeling comfortable here with with our format of having the space between everyone. So there are a few more people in our meeting. So for those that are attending

228

00:27:20.460 --> 00:27:35.340

Spencerport Central Schools: What we're doing here. It may not appear that way in the images, but we are all at least six feet away. That's why we're not wearing our face coverings. If anyone moves around about the room, we are wearing her face covering. So we are being see

229

00:27:37.350 --> 00:27:51.540

Spencerport Central Schools: Any other Board of Education number reports to two quick things coming up as the internal audit audit committee met last week they go over that report and stuff and everything is very clear drive

230

00:27:52.650 --> 00:27:53.490

Spencerport Central Schools: It wasn't true.

231

00:27:57.600 --> 00:28:00.090

Spencerport Central Schools: Should know this stuff in there is very surprised.

232

00:28:03.420 --> 00:28:07.830

Spencerport Central Schools: The second thing is the return to work. Cash force men last week.

233

00:28:08.880 --> 00:28:20.340

Spencerport Central Schools: Drinking into our subcommittees this week operations meets tomorrow instructional meeting tomorrow as well. Studying the three options. So those things are ongoing and

234

00:28:21.720 --> 00:28:23.430

Spencerport Central Schools: See where these things take us

235

00:28:25.590 --> 00:28:38.370

Spencerport Central Schools: So for those that might be online in a more here. I sent out a few documents that have been coming from the escape network, including a requirement that we submit a plan by July 31

236

00:28:38.880 --> 00:28:44.250

Spencerport Central Schools: And this was the first one they actually said it was we're submitting it for approval.

237

00:28:45.120 --> 00:28:59.460

Spencerport Central Schools: If you're involved with any other business in New York State where we're required guidelines and was simply a a statement that says I affirm that I will be following these guidelines, but with school districts, it must be submitted and reviewed and approved.

238

00:29:00.270 --> 00:29:10.980

Spencerport Central Schools: So I asked for the efforts that have been going on for last couple of months. Help us towards it, but still today. We don't have the pulley or the

239

00:29:11.400 --> 00:29:23.460

Spencerport Central Schools: Department of Education requirements. We have a New York State Department health guideline, but not that the SCD which they're expecting it to come out tomorrow.

240

00:29:24.540 --> 00:29:31.260

Spencerport Central Schools: Well portal open Friday, which is similar. What we did in the spring will get details of what are the three different

241

00:29:32.310 --> 00:29:34.740

Spencerport Central Schools: Models ultimately we're gonna have to ground.

242

00:29:36.810 --> 00:29:37.230

Spencerport Central Schools: So,

243

00:29:38.910 --> 00:29:40.380

Spencerport Central Schools: We can have some questionnaires and

244

00:29:42.630 --> 00:29:46.470

Spencerport Central Schools: Sharing with your subcommittees tomorrow the instructional operational.

245

00:29:47.640 --> 00:29:50.280

Spencerport Central Schools: And then it's two weeks of hard work and

246

00:29:51.330 --> 00:30:01.410

Spencerport Central Schools: So in terms of what we can also put in place after that. And in what ways. Any other considerations for how people like

247

00:30:03.660 --> 00:30:04.110

Spencerport Central Schools: A wall.

248

00:30:05.190 --> 00:30:06.540

Spencerport Central Schools: safety precautions.

249

00:30:08.100 --> 00:30:16.410

Spencerport Central Schools: You read on the news. I encourage everybody to read that do he document that's painful because it repeats itself.

250

00:30:17.940 --> 00:30:28.920

Spencerport Central Schools: Over again but read it to get familiar with some of the things that they are specifically requiring and be ready in the same way that yesterday.

251

00:30:30.030 --> 00:30:39.780

Spencerport Central Schools: So as you read that for for my business. I had to go through seven different versions of that for all the business units that we have

252

00:30:40.890 --> 00:30:47.460

Spencerport Central Schools: Pay close attention because others will where it says required words of months and worse, it should

253

00:30:48.780 --> 00:31:11.730

Spencerport Central Schools: Because that's where we're going to have the biggest concerns when we say when we elect to goes something in it just says, Should we don't have to, or vice versa. We it'll be a tough situation. It doesn't mean we can't like your session doesn't mean we can't say require as we can, or

254

00:31:13.200 --> 00:31:21.510

Spencerport Central Schools: Rather say protocols ways, then maybe suggested, but it devil then guaranteed the emails will flow ones.

255

00:31:22.530 --> 00:31:25.200

Spencerport Central Schools: Out there because people, other people are reading this for

256

00:31:30.480 --> 00:31:48.480

Spencerport Central Schools: Just a in advance thing. Thank you for your hard work, because I know this is going to be really hard. But I know you agree, and it'll, it'll work out. Kathy Griffin did a great job when she spoke on different tenants and get a good job of laying now you know one solved problem just

257

00:31:49.710 --> 00:31:53.130

Spencerport Central Schools: That you need to tackle so it's good. That's good way of describing. Yeah.

258

00:31:54.330 --> 00:31:54.690

Spencerport Central Schools: I can

259

00:31:56.580 --> 00:31:57.480

Spencerport Central Schools: take more questions.

260

00:31:59.040 --> 00:32:04.050

Spencerport Central Schools: But right now we're, we're in good shape. But we're nowhere near being

261

00:32:07.380 --> 00:32:15.960

Spencerport Central Schools: Something. Yeah, I know. So I kind of hard to believe that there's over seven or districts in New York State STDs over the all the brand and

262

00:32:17.550 --> 00:32:18.720

Spencerport Central Schools: Who knows, right, I mean,

263

00:32:19.920 --> 00:32:29.430

Spencerport Central Schools: Well, there is concept of the portal is to make their review, easy. So, it forces, your response to a specific statement to be in here so they can go through that and

264

00:32:30.870 --> 00:32:38.070

Spencerport Central Schools: So yeah, it's so it's a minimum response. What happened last time we got to revisit

265

00:32:39.450 --> 00:32:52.440

Spencerport Central Schools: Because there wasn't enough detail about those about that whatever we put in only going to be a shell. The postal worker, but they are protocols in place and so

266

00:32:53.190 --> 00:33:03.000

Spencerport Central Schools: We, you know that I'm not, I'm not worried about the portal that line. I'm more worried about what does it look like when we will find it kind of a natural plants.

267

00:33:04.710 --> 00:33:07.110

Spencerport Central Schools: The actual putting three plans, and the answer.

268

00:33:09.390 --> 00:33:14.850

Spencerport Central Schools: Because I'm not sure that I want her to marry me feasible. So, but it's it's the mandate right now.

269

00:33:16.200 --> 00:33:26.460

Spencerport Central Schools: So I'm assuming all the Desert Storm County are there and do the same thing. So he'll do something different than writing or

270

00:33:27.660 --> 00:33:34.680

Spencerport Central Schools: Districts will do the same things at all, just because I really, I'm going to use the wrong word, but our, our, our makeup our personalities are different.

271

00:33:34.890 --> 00:33:44.100

Spencerport Central Schools: Will take the school, they can do. They can actually fill out the kitten displays in the space. They have given week there's clear their average class sizes are already won 14 or

272

00:33:45.000 --> 00:33:54.360

Spencerport Central Schools: So for them to meet the six foot requirement for example is a lot easier to increase. And I think I'm field average around 25 minutes class.

273

00:33:55.170 --> 00:34:04.620

Spencerport Central Schools: And that's Elementary. So our elementary averages 19.2 or something like that. So, so there's different variables school district and

274

00:34:05.340 --> 00:34:10.740

Spencerport Central Schools: So all the different day like I i think that the superintendent's would like to be on the same page because

275

00:34:11.310 --> 00:34:23.460

Spencerport Central Schools: It's, it's that consistency, because everyone plays into that we're going against each other while they're here they're here, but there's always different variables around was different. So let's get real and Charlie's

276

00:34:25.950 --> 00:34:29.940

Spencerport Central Schools: Been able to get into the city's going to struggle with it is that

277

00:34:31.260 --> 00:34:36.120

Spencerport Central Schools: They're already worried about urban, suburban because of that, there's so many variables. So we're just going to tackle.

278

00:34:37.140 --> 00:34:38.790

Spencerport Central Schools: Every week every day.

279

00:34:40.500 --> 00:34:48.930

Spencerport Central Schools: And I want to be updated. There's a note to become real important but I'm pretty sure the updates in between because what's going to happen that change every day.

280

00:34:51.270 --> 00:34:59.070

Spencerport Central Schools: Gary, I think you can support me on this one. The reopening tasks or so far has done an unbelievable job. We've had some great discussion.

281

00:35:00.270 --> 00:35:06.870

Spencerport Central Schools: In the next room and I feel very confident moving forward as we know there's going to be a lot of moving parts of this there are

282

00:35:07.320 --> 00:35:15.870

Spencerport Central Schools: Tons of moving parts, and after reading through that document that just came out in trying to configure in our minds what its gonna look like what it's going to feel like

283

00:35:16.710 --> 00:35:26.070

Spencerport Central Schools: That's going to be the challenge of, you know, putting that all together to have a final product. So what I think we're moving in a real positive direction. We still have a lot of work to do.

284

00:35:26.400 --> 00:35:34.830

Spencerport Central Schools: And I'm very excited about tomorrow's meeting, you know, just to hit the ground so feeling good about this, even though it's going to be new to everybody.

285

00:35:35.310 --> 00:35:44.820

Spencerport Central Schools: So you're positive yeah absolutely have to be. There's no other choice. We got a lot of work to jump in real quick tie with every time worn a suit. Right.

286

00:35:46.800 --> 00:36:00.480

Spencerport Central Schools: I mean the only other thing I want to add, I would urge everybody. If you have questions, please refer them into one that so that their messaging. It happens it's coming through clear

287

00:36:02.100 --> 00:36:02.700

Spencerport Central Schools: Can system.

288

00:36:03.810 --> 00:36:04.170

Please.

289

00:36:05.670 --> 00:36:12.630

Spencerport Central Schools: Yeah, that's a good point very there's a, you know, the guidance is already out there and as people completely against the guidance right so what

290

00:36:12.990 --> 00:36:22.020

Spencerport Central Schools: The regulations are the executive orders are everywhere. So, and the department of health care needs. It's going to be in alignment with state executive or

291

00:36:23.340 --> 00:36:26.550

Spencerport Central Schools: An opposite direction, or sometimes not quite on the same page, but

292

00:36:28.410 --> 00:36:30.510

Spencerport Central Schools: We're going to get that so

293

00:36:31.980 --> 00:36:43.530

Spencerport Central Schools: Surveys going out soon. Next few days and then we're going to committee will be driven by that and what we know we have to do based on the guidance, I can learn and the portal expectations.

294

00:36:45.630 --> 00:36:46.350

Spencerport Central Schools: For a long time.

295

00:36:47.370 --> 00:36:47.700

Spencerport Central Schools: No.

296

00:36:49.260 --> 00:36:56.580

Spencerport Central Schools: I just, just for the record. First of all, he's done a lot of work on this one in five states that digit gains so

297

00:36:58.620 --> 00:37:15.510

Spencerport Central Schools: There's a real estate, I think, was five or six when we missed by one minus five was Indian and final guidance. So that's part of the problem. And when you wait on that, and especially they got people saying their guidance issues as well. Get it anyhow. Just kind of started so

298

00:37:16.620 --> 00:37:17.340

Spencerport Central Schools: We got this.

299

00:37:20.190 --> 00:37:21.600

Spencerport Central Schools: Committee date. That's right.

300

00:37:23.640 --> 00:37:29.760

Spencerport Central Schools: So, so in advance. Thank you for everyone who's on those committees and sharing those committees.

301

00:37:31.980 --> 00:37:45.120

Spencerport Central Schools: Got a heck of a job interview. And thank you all for for doing that as a board member and and then yeah, there's a lot. There's like 12 teachers and 12 administrators and parents are more

302

00:37:49.020 --> 00:37:51.240

Spencerport Central Schools: Instructional centers to

303

00:37:52.740 --> 00:37:53.250

Spencerport Central Schools: shortlist

304

00:37:56.220 --> 00:37:57.240

Spencerport Central Schools: Operations is, I think,

305

00:38:00.630 --> 00:38:02.040

Spencerport Central Schools: Why not a representation

306

00:38:03.480 --> 00:38:06.120

Spencerport Central Schools: In the board member reports and the other

307

00:38:08.850 --> 00:38:09.660

Spencerport Central Schools: Conversation.

308

00:38:11.430 --> 00:38:13.410

Spencerport Central Schools: And we would like to

309

00:38:14.760 --> 00:38:19.950

Spencerport Central Schools: Air for Mr Kincaid because I think we have a special yes online right now.

310

00:38:21.000 --> 00:38:21.630

Spencerport Central Schools: Super

311

00:38:23.070 --> 00:38:26.850

Spencerport Central Schools: Nice here and and we are see john

312

00:38:37.650 --> 00:38:40.470

313  
00:38:46.770 --> 00:38:47.280  
Spencerport Central Schools: Small

314  
00:38:50.580 --> 00:38:50.970  
Spencerport Central Schools: Like

315  
00:39:00.510 --> 00:39:01.800  
Spencerport Central Schools: Yourself. Yeah.

316  
00:39:17.130 --> 00:39:17.880  
How about that.

317  
00:39:19.980 --> 00:39:20.430  
Spencerport Central Schools: Perfect.

318  
00:39:27.300 --> 00:39:29.580  
Spencerport Central Schools: John you're considered highly effective with that.

319  
00:39:31.890 --> 00:39:32.730  
Spencerport Central Schools: There you go.

320  
00:39:32.970 --> 00:39:33.600  
Spencerport Central Schools: So can just

321  
00:39:34.260 --> 00:39:35.430

John Viavattine: district level.

339

00:42:11.970 --> 00:42:19.170

John Viavattine: Because without their support. I couldn't do all the things that I wanted to do with my kids and give them the opportunities that I did.

340

00:42:20.040 --> 00:42:25.500

John Viavattine: But most importantly, I want to thank my students for their incredible talent and perseverance and

Spencerport Central Schools: Sir, okay.

343

00:42:44.970 --> 00:42:46.410

Spencerport Central Schools: JOHN I don't think you

344

00:42:47.730 --> 00:42:49.380

Spencerport Central Schools: Know how much people

345

00:42:49.470 --> 00:42:51.090

Spencerport Central Schools: Under you and respect you, but

346

00:42:51.510 --> 00:42:54.510

Spencerport Central Schools: Work together with you for a number of years at the high school there.

347

00:42:54.630 --> 00:42:55.050

Spencerport Central Schools: That I

348

00:42:55.080 --> 00:43:00.480

Spencerport Central Schools: John came and I left like a couple years right after that I went over it can help you but

349

00:43:01.620 --> 00:43:10.170

Spencerport Central Schools: You know what you've made a difference in so many kids lives in your colleagues lives over these years and I can't say enough about how much we appreciate what you've done for our school district.

350

00:43:10.800 --> 00:43:16.920

Spencerport Central Schools: You are definitely top and you will be best, but I understand you said you're coming back to

351

00:43:20.880 --> 00:43:21.450

Spencerport Central Schools: Me, Jamie.

352

00:43:24.480 --> 00:43:24.780

Spencerport Central Schools: Thank you.

353

00:43:25.560 --> 00:43:28.890

John Viavattine: Thank you so much. Thank you all. I really appreciate it.

354

00:43:29.490 --> 00:43:39.810

Spencerport Central Schools: And also just, you know, white Chrome on to be here on the attendee piece that I couldn't he couldn't put the sentences in those congratulations to you and well wishes.

355

00:43:40.260 --> 00:43:42.240

John Viavattine: Thank you very much. I appreciate that.

356

00:43:43.260 --> 00:43:49.440

Spencerport Central Schools: The other words john one of the worst things about tonight is the fact that you're not here.

357

00:43:49.890 --> 00:43:59.550

Spencerport Central Schools: And if you were here. We know you would have brought some of the best music in our districts. So that's, that's something that we're going to miss tonight.

358

00:44:00.810 --> 00:44:11.520

John Viavattine: Thank you. I would have, I would have really done that. So we appreciate. I appreciate it and hopefully maybe when in the fall, we can get together and in person. And when times are better.

359

00:44:16.320 --> 00:44:16.680

Spencerport Central Schools: Sure.

360

00:44:17.700 --> 00:44:22.980

Spencerport Central Schools: Well, congratulations and thank you for all that you've done and we wish you a happy and healthy retirement.

361

00:44:23.280 --> 00:44:26.010

John Viavattine: Thank you so much everyone appreciate you so much.

362

00:44:26.520 --> 00:44:30.330

Spencerport Central Schools: Well, we will be in touch with a future date actual dedication ceremony.

363

00:44:31.020 --> 00:44:34.800

John Viavattine: Okay, fantastic. Thank you so much, guys.

364

00:44:36.660 --> 00:44:37.200

Thank you.

365

00:44:43.980 --> 00:44:44.250

Spencerport Central Schools: Where's the

366

00:44:52.410 --> 00:44:53.010

Spencerport Central Schools: Creative

367

00:44:54.420 --> 00:44:56.280

Spencerport Central Schools: Thank you for doing that. Oh, my pleasure.

368  
00:45:06.210 --> 00:45:08.550  
Spencerport Central Schools: We're going to tweak our, our resolutions.

369  
00:45:12.000 --> 00:45:14.670  
Spencerport Central Schools: But what we thought it was over, and then another where I

370  
00:45:16.500 --> 00:45:18.720  
Spencerport Central Schools: Didn't do one twice so

371  
00:45:21.480 --> 00:45:22.080  
Spencerport Central Schools: I saw like

372  
00:45:24.360 --> 00:45:34.950  
Spencerport Central Schools: Okay, and what we're at a schedule here all the reports are done on the Board of Education records are complete. Okay, well, Rick email today.

373  
00:45:36.360 --> 00:45:36.870  
Spencerport Central Schools: Was one

374  
00:45:38.520 --> 00:45:48.990  
Spencerport Central Schools: Well, thank you, agrees for changing things a little bit for us nice when it goes on. We did some updates on that for you that that will allow me to talk about the tax levy estimated tax rates.

375  
00:45:49.740 --> 00:46:00.540  
Spencerport Central Schools: But he did give you an update. If you didn't get a chance to see that the sampling and I apologize. It was literally a lot and we had a call saying they change it. I think we're out to read something

376  
00:46:02.730 --> 00:46:23.070  
Spencerport Central Schools: We're few meetings today. And so you should have that that nobody's gonna go there now and if you can if you if you don't have the version that's in your email you need access to guess maybe. Has everyone seen revisions, so we can be a benefactor of the games the assessment.

377  
00:46:24.300 --> 00:46:24.930  
Spencerport Central Schools: Much larger

378

00:46:28.800 --> 00:46:31.470

Spencerport Central Schools: Much larger than what he had shared

379

00:46:32.820 --> 00:46:35.190

Spencerport Central Schools: But the good news is, because we're conservative

380

00:46:36.540 --> 00:46:42.780

Spencerport Central Schools: rates are going down, more so than what we had originally projected they're actually going down for the town.

381

00:46:44.430 --> 00:46:50.790

Spencerport Central Schools: Again, I think I just want to highlight based on the conversations we've had during our long range financial analysis.

382

00:46:51.240 --> 00:47:01.200

Spencerport Central Schools: It was my impression that we really wanted to begin focusing trying to maximize what they call the maximum allowable limit, which is what we're doing here, or just a hair under

383

00:47:01.800 --> 00:47:16.050

Spencerport Central Schools: That amount and doing so I'm recommending going to 39 to 29 379 with the lobby and then the corresponding tax rates will open it up any questions you may have.

384

00:47:16.980 --> 00:47:33.270

Spencerport Central Schools: Just real quickly to because of the change from Greece, I have not received the attack sworn affidavit soon as I do that I'll allow all of those were and then get signatures on a forum for people come in individually.

385

00:47:37.350 --> 00:47:37.830

Spencerport Central Schools: Questions.

386

00:47:40.380 --> 00:47:40.860

Spencerport Central Schools: Account.

387

00:47:46.320 --> 00:47:51.210

Spencerport Central Schools: like to make a motion to accept the temps loving, an estimated tax rate for the

388

00:47:53.160 --> 00:47:53.880

Spencerport Central Schools: School year

389

00:48:00.660 --> 00:48:04.650

Spencerport Central Schools: Thank you. Thank you for the plethora of information provided over

390

00:48:07.710 --> 00:48:08.490

Spencerport Central Schools: You're welcome.

391

00:48:11.910 --> 00:48:16.230

Spencerport Central Schools: And then I think Gary can reference the 5.2 titles that they

392

00:48:18.990 --> 00:48:22.980

Spencerport Central Schools: Give you remember we decided good facilities management this year on the honest.

393

00:48:24.090 --> 00:48:27.540

Spencerport Central Schools: To be honest with you, that will be provided that I'm

394

00:48:28.740 --> 00:48:29.130

Spencerport Central Schools: Hearing

395

00:48:31.530 --> 00:48:32.310

Spencerport Central Schools: Any questions.

396

00:48:34.350 --> 00:48:51.540

Spencerport Central Schools: I was not sure where this audit was going to go something not done before I was pleasantly surprised by it over the findings and I did some things. But again, I would turn it over to Gary Mike as part of the audit committee if they want to share anything else but

397

00:48:52.560 --> 00:48:57.780

Spencerport Central Schools: Very clean relatively clean on Andrea implementation to correct them is going to Nelson.

398

00:49:00.030 --> 00:49:11.100

Spencerport Central Schools: Getting the bulk of the discussion. As a result, the audits around around around fuel use and how that's monitor that was all the question answer kind of all the answers right there are very transparent.

399

00:49:12.420 --> 00:49:15.240

Spencerport Central Schools: A lot of stuff wasn't in the report, but districts right on it.

400

00:49:16.710 --> 00:49:28.230

Spencerport Central Schools: They're really monitoring how it gets done right down to the nitty gritty of exactly how people get fuel accounts for an account for the cancer so was all well done didn't

401

00:49:29.400 --> 00:49:35.580

Spencerport Central Schools: Like said, I think there was a lot of talk about whether what road and went down to the specific audit and this is what we chose this time around, and God

402

00:49:36.630 --> 00:49:43.500

Spencerport Central Schools: Brought some things to light, but it very clean on and there's nothing, nothing that the board is be alarmed about or even have to worry about it.

403

00:49:46.290 --> 00:49:50.940

Spencerport Central Schools: So did the we selected facility.

404

00:49:51.990 --> 00:50:09.270

Spencerport Central Schools: Audit it look into the things that the committee thought during looking to uncover things or something that that we ought to put on the radar for future and look at now, over time, but then a few years, is it easier to have problems.

405

00:50:11.490 --> 00:50:21.780

Spencerport Central Schools: So I do. I know, trying to reach back in memory when we actually formulated this one, but it didn't miss anything that we thought were big items.

406

00:50:23.100 --> 00:50:25.410

Spencerport Central Schools: Because really the overtime. The Chilean search and those

407

00:50:27.690 --> 00:50:30.840

Spencerport Central Schools: Areas that we might actually see some concern with but

408

00:50:32.910 --> 00:50:37.710

Spencerport Central Schools: Minus some procedural stuff with a few keys and things like that really wasn't

409

00:50:39.270 --> 00:50:41.130

Spencerport Central Schools: Guys guys doing the audit.

410

00:50:42.270 --> 00:50:57.330

Spencerport Central Schools: They obviously had experience doing this kind of thing before to speak intelligent very intelligently about some of the other things they see. So we were very good to go look through your comments and responses. So we have to hear and the bus.

411

00:51:03.180 --> 00:51:11.250

Spencerport Central Schools: Remember we saw a few minutes with the county sheriff in town. So I think that was part of the audit the accuracy of those reports and building that

412

00:51:15.090 --> 00:51:23.160

Spencerport Central Schools: Data, one after the big areas where there might be an ability for us to make some change operationally to save some money and there really wasn't

413

00:51:24.150 --> 00:51:36.600

Spencerport Central Schools: As a result, the outer became clear that it was very well organized and well managed, there wasn't really that opportunity. There was no, you're certainly no fraud and there were certainly it wasn't nearly what I kind of, I didn't see what I thought was

414

00:51:44.430 --> 00:51:53.100

Spencerport Central Schools: A motion to acknowledge the internal crushing very second. All in favor.

415

00:51:54.240 --> 00:51:54.840

Spencerport Central Schools: So,

416

00:51:59.430 --> 00:52:03.150

Spencerport Central Schools: If so many evaluation to meetings. Now,

417

00:52:08.340 --> 00:52:12.270

Spencerport Central Schools: Actually so so kind of a mini evaluation is

418

00:52:13.290 --> 00:52:18.120

Spencerport Central Schools: On purpose cretinous what we want to try to have a board development session.

419

00:52:19.170 --> 00:52:20.580

Spencerport Central Schools: Before the end of

420

00:52:21.600 --> 00:52:23.970

Spencerport Central Schools: This month, and what

421

00:52:34.170 --> 00:52:34.500

Spencerport Central Schools: Again,

422

00:52:40.080 --> 00:52:40.710

Spencerport Central Schools: Keep recording

423

00:52:43.650 --> 00:52:48.660

Spencerport Central Schools: Mike was just asking if this needs to be recorded at this point. But yes, we're still public

424

00:52:50.220 --> 00:53:09.270

Spencerport Central Schools: So, so like to try to set up something where we can figure out where we are, where we've been and what we have to do. It's an educational session for us to learn more about the main, main point of our topics are going to be the reopening plan so so

425

00:53:10.320 --> 00:53:17.730

Spencerport Central Schools: So, so we can learn more about what the administration knows and share what we know. So

426

00:53:18.840 --> 00:53:35.370

Spencerport Central Schools: And what they were you hoping or or me, I think, from memory. I think we read the zero on Wednesdays or Thursdays, or better before, but our whole world was changing. I mean nights blurry typically six o'clock ish. So it's off site.

427

00:53:38.370 --> 00:53:44.790

Spencerport Central Schools: And a minimum at least we have it on our calendar, we can't do that. It's there. If we have better information to talk

428

00:53:45.900 --> 00:53:47.520

Spencerport Central Schools: And three professional development.

429

00:53:51.210 --> 00:53:56.040

Spencerport Central Schools: So I the first one I looked at was, I thought it was the 29th of

430

00:53:57.120 --> 00:53:57.840

Spencerport Central Schools: July.

431

00:54:04.350 --> 00:54:10.680

Spencerport Central Schools: Wednesday's ARE REALLY TOUGH FOR WHAT ABOUT Tuesday the 22 super

432

00:54:16.260 --> 00:54:23.670

Spencerport Central Schools: Fortunate next week. And there's a reason why. It's because I think we have some meetings internally here, they'd like to see what the results of those meetings are. And I'd like to hear back

433

00:54:24.480 --> 00:54:32.850

Spencerport Central Schools: So if we push it out. The following week, we will have already submitted our plan for a minute or two years. I'm on vacation, we're

434

00:54:34.980 --> 00:54:48.480

Spencerport Central Schools: Visual before so 2014 we boy six such a lot typically six o'clock.

435

00:54:50.430 --> 00:54:51.660

Spencerport Central Schools: Where and how we do it.

436

00:54:53.400 --> 00:54:53.700

Spencerport Central Schools: Right.

437

00:54:55.320 --> 00:54:55.560

Spencerport Central Schools: Yeah.

438

00:54:57.180 --> 00:54:59.340

Spencerport Central Schools: Previous location know

439

00:55:03.270 --> 00:55:04.650

Spencerport Central Schools: someone's body of work.

440

00:55:14.010 --> 00:55:19.620

Spencerport Central Schools: Somewhere. I'm not I'll reach out to everyone and iron out the location.

441

00:55:23.790 --> 00:55:24.390  
Spencerport Central Schools: Agree with

442  
00:55:25.620 --> 00:55:27.600  
Spencerport Central Schools: Unless we got volunteers right now. That's it.

443  
00:55:28.680 --> 00:55:29.820  
Spencerport Central Schools: Like that, you know, my poor

444  
00:55:31.590 --> 00:55:31.950  
Spencerport Central Schools: Anywhere.

445  
00:55:34.710 --> 00:55:35.850  
Spencerport Central Schools: On their back back now.

446  
00:55:38.400 --> 00:55:44.100  
Spencerport Central Schools: Take what you have proven the board meetings at your for six o'clock. That's more than one. So,

447  
00:55:45.300 --> 00:55:46.920  
Spencerport Central Schools: That was a part of your consent, a genetic

448  
00:56:01.830 --> 00:56:03.120  
Spencerport Central Schools: Appropriate so many

449  
00:56:04.200 --> 00:56:04.590  
Spencerport Central Schools: Times.

450  
00:56:06.720 --> 00:56:08.460  
Spencerport Central Schools: Well, for our first

451  
00:56:09.900 --> 00:56:12.330  
Spencerport Central Schools: In person meeting and in several months.

452  
00:56:13.770 --> 00:56:15.630  
Spencerport Central Schools: Lord, you know, for your first one

453  
00:56:19.200 --> 00:56:25.230  
Spencerport Central Schools: We expected to transition back to the soon reading until now we're going to link you

454

00:56:26.580 --> 00:56:27.450

Spencerport Central Schools: Know martial

455

00:56:33.090 --> 00:56:42.900

Spencerport Central Schools: Law. Did you meet her after executive tonight. All right, next, next part, you know, I mean, the next meeting will continue to be, this was a special meeting because we're supposed to sign tax documents.

456

00:56:43.740 --> 00:56:53.700

Spencerport Central Schools: But that. So with that being said, the meeting is coming alive in the future are we gonna go back to the zoom format. We have to go live as well as far as when the state permits active right now.

457

00:56:58.080 --> 00:57:05.460

Spencerport Central Schools: Anybody can figure out whether want to do that last one that we can do zoom via zoom or come in.

458

00:57:06.600 --> 00:57:15.060

Spencerport Central Schools: But this may become the new norm, because, you know, public there's we may not get enough people in the room or

459

00:57:17.640 --> 00:57:19.020

Spencerport Central Schools: Okay, so we

460

00:57:20.070 --> 00:57:32.220

Spencerport Central Schools: Will be going into Executive Session. And we do have to come back in this room after executive session to close out. So you're going to put it. I think we're actually going to stay here.

461

00:57:33.870 --> 00:57:35.010

Spencerport Central Schools: Oh yeah, okay.

462

00:57:36.270 --> 00:57:38.400

Spencerport Central Schools: We're just going to dismiss our attendees.

463

00:57:39.480 --> 00:57:39.960

Spencerport Central Schools: We

464

00:57:43.590 --> 00:57:44.790

Spencerport Central Schools: Did we don't want to broadcast this

465

00:57:55.980 --> 00:57:56.430

Spencerport Central Schools: We're

466

00:58:03.150 --> 00:58:13.170

Spencerport Central Schools: Breathing employee, we are reporting, Greg. Can you say that again. It came out, we came out of executive session at 835 and now we need a motion to adjourn.

467

00:58:14.730 --> 00:58:15.150

Spencerport Central Schools: Second,

468

00:58:16.590 --> 00:58:18.780

Spencerport Central Schools: I have a good night, everybody.

469

00:58:20.280 --> 00:58:20.910
