# Schoology Parental Access

Parents have the option to create accounts in Schoology, which will allow access to your child's course content and assignments.

1. Visit www.Schoology.com and sign up as a parent

2. To sign up, enter your student's code located in the Schoology letter.

3. Enter your personal information and click **Register**

4. Once you have registered, you'll be taken to the **Parent View** of Schoology. To switch to the **Student View,** simply click the down arrow next to your name and then select your child.

5. Now you can view all of the **Courses** that your child is enrolled in:

6. If you have multiple students in the district, each student will have a unique code. To add another student to your Schoology parent account, click the arrow to the right of your name and select **"Add Child."** From there, enter the next student code for the child you would like to add. Complete this step for each additional student you would like to add. Schoology will allow you to switch between your students.
