**Records Access Officer**

The Superintendent, subject to the approval of the Board, will designate a Records Access Officer who will have the duty of coordinating the District's response to public requests for access to records.

**Fulfilling FOIL Requests**

The District will provide copies of records in the format and on the medium requested by the person filing the Freedom of Information Law (FOIL) request if the District can reasonably do so regardless of burden, volume, or cost of the request. **Requests for Records via Email**

If the District has the capability to retrieve or extract electronic records with reasonable effort, it will provide the records electronically upon request. The District will accept requests for records submitted in the form of-email and respond to those requests by email using the forms supplied by the District. This information will be posted on the District website, clearly designating the email address for purposes of receiving requests for records via this format.
